GST

* Item numbers denoted with an asterisk (*) include a 10% allowance for GST as TAC believes these are taxable supplies. If you are a provider and are **not registered for GST**, then the maximum claimable on these item numbers is 10/11ths of the corresponding Maximum Payment Rate. Providers who are not registered for GST are:

- Not legally permitted to charge GST; and
- Should indicate on all invoices submitted your status as 'not registered for GST'

A GST Registered provider **should not** add GST on top of the Maximum Payment Rate as an allowance for it is already included where applicable.

All other item numbers i.e. with no asterisk (*) are the Maximum Payments Rates regardless of whether you are registered for GST or not, as TAC believes these are GST Free supplies.

these to be GST-Free supplies.
